DEATH'S SUMMONS

CAME DURING SLEEP

Beautiful Life of Mrs. Mary Rabb Ended Last Night.

Was One of Paducah's Oldest Residents—Died in Lyon County, Kentucky.

FUNERAL TOMORROW AT 5 P. M.

Mrs. Mary E. Rabb, one of oldest and most respected women of South-west Kentucky, died shortly before 12 o'clock last night at Mineral Well Mound, near Kuttawa, Lyon county, Kentucky, where she had been five or six weeks for her health.

Mrs. Rabb had been in failing health for sometime, and was recently in a critical condition at Chicago, but seemed to improve. She was taken to the springs with a hope of benefiting her condition but death at last claimed its own.

Mrs. Alexander Kirkland, daughter of the deceased, accompanied by Mr. Kirkland, was called to her bedside Monday evening.

Mrs. Rabb was born at Morganfield, Ky., 39 years ago. She was twice married, the first time to Mr. Von Trees and the second time to Mr. Gabe Rabb. Sometime before the war the family came to Paducah, and occupied the old Rabb property at Sixth and Broadway. Mr. Rabb was connected with the banking house of Watts, Given & Co., an institution with an international reputation and the Rabb family is one of the oldest and best in the state. About a year ago Mrs. Rabb went to Chicago to make her home with a daughter, Mrs. William Jones.

It was there that she was a few weeks ago so critically ill that the family was called to her bedside, but she rallied and was taken to Mineral Well Mound. Mr. Rabb died about fourteen years ago.

Mrs. Rabb was a woman of much refinement and intellect. She was greatly loved for her kind, gentle ways, and Christian spirit, and her life had been a beautiful and a useful one, as well as a long one.

She is survived by the following children:

Miss Temple Von Trees and Mrs. J. A. Mackey, by her first marriage, and Mrs. Alexander Kirkland, of Paducah, and Mrs. William Jones, of Chicago, by her second. The late Mrs. Ed P. Noble was a daughter.

Mrs. Rabb died at the residence of Mrs. George Catlett, at Mineral Mound farm, overlooking the Cumberland river.

It will be a comfort to her friends to know that her last hours were spent in peaceful sleep.

The funeral will be held on Thursday afternoon at 5 o'clock from Grace Episcopal church and burial at Oak Grove. Services by Rev. D. C. Wright, pastor.

Her friends are cordially invited to attend the funeral services.

The pall bearers will be: G. Rabb Noble, Rankin Kirkland, Hal Taylor, Muscoe Burnett, Dr. R. A. Hicks, Henry Hughes, R. G. Terrell, Wm. E. Cochran.

Collar Bone Broken.

Jim Hill a well known resident of the Maxon's Mills vicinity who often comes to the city, yesterday had his collar bone broken by his mule running away as he started to get into his buggy in front of his house.

Souza Is Booked.

Manager Thomas Roberts, of the Kentucky theater, today booked Souza's band for March 23. Souza has been here but once, and he then packed the Kentucky theater.

SWEDEN IS GETTING WAR-LIKE NOW.

Stockholm, July 5.—It is reported that an order for the mobilization of the Swedish army has been issued and that a proclamation to this effect probably will be issued within a week.

The mobilization is intended as a means of giving added force to any proposal for settlement which the special committee appointed by the Riksdag may make to the Norwegian storting.

Norway Is Ready.

Christiana, July 5.—Norway is thoroughly aroused over the warlike tone of the news from Stockholm. While it is believed the action of Sweden in closing Stockholm, Karlskrona, Gothenburg and Farsund to foreign ships and the proposal to give the Swedish government a war credit of \$25,000,000 does not necessarily mean war, Norway will be found ready in case it does. Both her army and navy are in first class shape, and any aggressive move on the part of Sweden will be promptly met.

PADUCAH POSTMAN GETS HIGH HONOR

Mr. Jesse Curd Chosen Delegate to National Convention.

Annual State Convention Held Yesterday at Louisville—Officers Elected.

2 DELEGATES FROM PADUCAH

Postmen Jesse G. Curd and Frank Moore will return this evening from Louisville, where they yesterday attended the sixth annual Kentucky letter carriers' convention. Mr. Curd capturing one of the highest honors by being elected state delegate-at-large to the national convention, which carries with a trip to Portland, Oregon, with all expenses paid.

Conventions of letter carriers are short, partly because postmen have little time and partly because they have learned to be quick in everything. Open house was held yesterday at Louisville and there were eighty-five delegates representing the fourteen unions in Kentucky.

Mr. Curd is one of the most popular letter carriers in the state and was sergeant-at-arms during the past year. His selection to represent Kentucky at the national gathering is an honor to Paducah as well as to Mr. Curd, and he will leave in time to attend the opening session at Portland, September 4th. In addition to other duties Mr. Curd will to some extent have supervision over all the state unions.

One of the most important actions of the convention yesterday was the passage of a resolution to hereafter hold conventions every two years instead of every year. The next convention will be held in Louisville May 30, 1907.

The old officers re-elected yesterday are:

D. E. Berry, of Covington, president of the state organization, was re-elected president.

William J. Pelot, of Louisville, re-elected treasurer.

New officers elected are as follows:

N. T. Chisholm, of Lexington, vice-president.

I. S. Emmons, of Louisville, secretary.

Harry M. King, of Newport, sergeant-at-arms.

J. G. Curd, of Paducah, delegate to national convention in Portland, Oregon.

AFTER MANY DAYS.

Cleveland Edwards, white, was arrested this afternoon by Officers Hessian and Dugan on a charge of robbery.

Edwards is charged with having entered the residence of J. W. Hall on November 5, 1904, and stolen a silver watch. The warrant was issued shortly after the robbery but Edwards escaped and the police had lost track of him until today when the officers learned he was in Paducah and set about to effect arrest.

THE LAST SAD RITES WERE SAID TODAY

Funeral of the Late Secretary of State Hay—Unostentatious.

President Roosevelt and Nearly the Entire Government Witnessed Simple Ceremony.

TALK OF HAY'S SUCCESSOR

Cleveland, O., July 5.—In silence and in gloom the Wade Memorial chapel in Lake View cemetery, the final prayers for the eternal rest of Secretary John Hay began at 11 o'clock today.

Dr. Hiram C. Hayden, friend of the late secretary, conducted the services and the little circle of distinguished mourners scarcely filled the chapel.

Mrs. Hay and son sat on the front bench, to the left was President Roosevelt and Vice President Fairbanks and the remainder of the company sat well to the rear.

The services consisted solely of two prayers and reading the Scriptures.

Members of the First city troop carried the remains from the Chapel to the grave in the Stone family plot. The casket was lowered into the grave immediately and a handful of earth cast upon it by Dr. Hayden. He uttered prayer and the remains of the secretary were covered from mortal sight. Only a few of the magnificent floral tributes were placed on the casket. A multitude gathered in the cemetery to witness the final obsequies, but none were permitted to approach near the grave.

The President's Train.

Cleveland, O., July 5.—President Roosevelt's special train with practically the entire U. S. government aboard, made an uneventful run through Pennsylvania and Ohio last night and arrived here this morning. Those accompanying the president were: Secretaries Shaw, Hitchcock, McCall and Bonaparte, Postmaster General Cortelyou, former Secretary of the Navy Morton, former Secretary of Treasury Gage, former Secretary of War Root, former Postmaster General Chas. Emory Smith, United States Senator Knox, Dr. P. M. Rixey, Washington and Private Secretary Loeb. The distinguished party was driven immediately to the chamber of commerce to attend the funeral of Secretary Hay.

Secretary Hay's Successor.

Washington, July 5.—If he can be induced to accept the place, Elihu Root, of New York, former secretary of war, will be successor of the late John Hay in the cabinet of President Roosevelt. This is the impression in Washington as a result of a telegram received by Acting Secretary of State Pierce from Secretary Loeb announcing that the president had designated Mr. Root as representative of the department of state at the funeral ceremony in Cleveland.

It is known here that Mr. Roosevelt would gladly recall Mr. Root to public service. In case the latter should find it impossible to accept the office, undoubtedly the president will consult him in regard to Mr. Hay's successor.

Mr. Root was ambitious to be chief of the department of state, and had Mr. Hay retired two years ago undoubtedly the higher office would have been rendered the then secretary of war.

Officials here who believe they know the bent of the president's mind are confident, however, that he will endeavor to have a new secretary of state at his elbow within the shortest possible time.

IMPEACHMENT PAPERS

Papers of impeachment in the case of City Jailor Tom Evitts were completed today by attorneys and placed in the hands of Mayor D. A. Yeiser, who will probably submit them to the board of aldermen tomorrow night.

The papers are simply formal charges against the city jailor, and the board of aldermen, after receiving the charges, will appoint a committee which will hear the evidence and make a report. The board will then accept or reject the report.

WELL CELEBRATED.

Thousands of People Visited Wallace Park Yesterday.

The Fourth of July seems to have been enjoyed in Paducah, as several thousand people went to Wallace park, and fifteen or twenty thousand rode on the street cars.

The park prizes were awarded as follows:

C. E. Zook, 123 North 13th street, razor for longest standing jump. Wm. Bordeaux, 1910 Jefferson street, box of cigars for winning sack race.

Robert Lewis, bottle of Old Cutter, wheelbarrow race.

The most popular young lady vote and guessing the number of beans in the bottle, will be decided today, as the count had not been finished last night.

The fireworks last night were good and the celebration at the park was successful in every way. It was late at night before everybody had returned to the city.

The case of perfumery for guessing the number of beans in a bottle goes to Chester Overby, who guessed 1901, there being 1905.

The winners in the various shoots will be announced sometime today. Mose Starr, of Paducah, is the only man to get straights. He killed every bird in the ten bird event, live birds, and broke every target in the clay pigeon events.

A LAST VISIT

BEING MADE BY MR. E. J. KNICKERBOCKER, RECENTLY PROMOTED.

Is Introducing His Successor and Meeting Many Old Friends Here.

Mr. E. J. Knickerbocker, recently promoted to the position of coal traffic manager for the Chicago and Eastern Illinois, Evansville and Terre Haute and Evansville and Indianapolis railroads, is in Paducah today introducing his successor as division freight agent for the Chicago and Eastern Illinois, Mr. G. H. Kummer, and meeting his many friends again before entering into his new duties at Chicago.

Accompanying him is also Mr. S. J. Cooke, general freight agent for the Chicago and Eastern Illinois. Mr. Knickerbocker has been coming to Paducah for many years, and has a host of friends here who will regret that his new headquarters in Chicago will probably prevent his coming to Paducah very often.

"I can say this, however," said Mr. Knickerbocker today. "I know of no city anywhere that I should rather visit than Paducah. I think you have one of the best towns in the United States. I like it, and the most delightful people I ever met are in Paducah."

Mr. Kummer, who succeeds Mr. Knickerbocker in this territory, has already made a large number of friends in Paducah, and will come here regularly.

Mr. Cook is one of the most prominent freight agents in this section of the country, and is well pleased with Paducah.

The visit of these officials may be significant in another way, as there has been talk for several months of the C. & E. I. building through Paducah. The gentlemen, however, know nothing of the plans of the roads.

FIRE IN RUSSELLVILLE.

Report Received That There is a Destructive Blaze in Progress.

A long distance phone message received this afternoon from Russellville, Ky., stated that a destructive fire is raging there, and that it was doubtful when it would be under control. No definite information could be secured except that it was a big fire, and it was feared much of the town would be burned.

Supervisors Meet Monday.

The board of city supervisors did not meet this morning, the meeting being postponed until Monday. The board meets to assess banks and make a few corrections in assessments.

Gen. Haly Leaves.

General Percy Haly returned yesterday to Frankfort, but will probably be back before the encampment begins.

THE FOURTH BRINGS THE USUAL NUMBER

Many Deaths and Mishaps Reported Over Country.

The East Seems to Have Produced More of the Fatal Class.

CHICAGO HAD LIVELY TIME

New York, July 5.—Despite the efforts of many small boys and their elders the Fourth of July was comparatively quiet, although there were a number of casualties. Altogether five deaths were reported in the city as a result of the day's celebration, and the number of accidents reached into the hundreds. There were few fire alarms in comparison with former years and no serious fires.

Fully 100 persons of all ages were victims of the Fourth of July celebration at Newark, N. J., but no one was fatally hurt.

Four Killed at Philadelphia.

Philadelphia, July 5.—Four persons are dead, two fatally injured and more than two hundred others wounded, as a result of the Independence day celebration in this city.

Day's Record at Chicago.

Chicago, July 5.—In spite of the rigid enforcement of the law restricting the use of fire crackers and other explosives, nearly a hundred accidents were reported to the police, four probably fatally.

46 Were Killed.

Chicago, July 5.—Returns from all sections of the United States covering Fourth of July fatalities, accidents and fires, show that 46 are dead and 1,677 more or less seriously injured on account of the celebration. Figures a year ago up to this hour show fatalities to be 48 and injuries 1,545. Casualties this year show the following causes: Runaways, 40; powder burns, 154; fireworks, 1,064; toy pistols, 58; firearms of all kinds, 179; cannons, 88. Fire losses, \$223,750. Of the deaths reported, three were from lockjaw, which developed from advance celebrations of Independence.

ELOPED ON LAUNCH

PADUCAH COUPLE MARRIED AT METROPOLIS, ILL. LAST NIGHT.

They Made the Trip on a Gasoline Launch and Are Now at Home Again.

The following account of an unique elopement from Paducah last night was received by The Sun today:

The Sun:

About 11 p. m. yesterday, a beautiful Gasoline Craft landed at our Wharf, and a lady and a gentleman, and three of the crew, disembarked and moved toward a place of safety, as they must have remembered that the Kerfu had rang the kid warning, when Mr. Knightman took them in charge, and accompanied them to the residence of Squire Wright, when it quickly developed that they only had matrimonial intentions, so the license Clerk was sought, the necessary writ procured and Mr. H. M. Franklin and Miss Dilla Green, being the only parties found guilty, the regular fee was assessed by the court, and being quickly paid, they were released, the balance of the crew admonished to go and do likewise.

These were all clever appearing young people of good deportment, hailing from Paducah, who have our best wishes.

Courteously yours,

WM. WRIGHT, J. P.

The city directory shows that H. M. Franklin is a grocer at 2261 Myers street, Mechanicsburg, and that his bride resided at 303 Ashbrook avenue.

This is the second trip made to Metropolis by matrimonially-bent young people of the South Side on a gasoline launch.

LYNCHERS DRIVEN AWAY

One Prisoner Shot by Officer

Water tank in the jail and Jim Lyon was taken out on the street by the mob and it was thought lynched.

Another Mutiny Frustrated.

Odessa, July 5.—An attempt to revive the mutiny on the battleship Georgi Pobledonostz was discovered. It was frustrated by loyal sailors who delivered six leaders to the authorities. The torpedo boats which remained here have gone to sea.

Vecha Mutineers Surrender.

St. Petersburg, July 5.—It is stated the transport Vecha, the crew of which joined the mutineers in the harbor of Odessa, surrendered in Russian waters.

The Situation Improving.

Odessa, July 5.—The British steamer Cranley, which was brought into harbor Monday under the cover of the guns of torpedo boat destroyers, has been released. The general situation shows signs of gradual improvement. The removal of debris from the burned area has begun and general dock work and coasting service has been resumed. Strikers are returning to work. A large number of troops have been sent to summer quarters within easy reach of the city. The Odessa chamber of commerce has petitioned the ministry of finance to permit an extension of 14 days on notes falling due.

FUGITIVES FOUND

JIM FRIZZELL AND WOMAN SAID TO BE IN MISSOURI.

Telegram Announces They Are Under Arrest at East Prairie, Mo.—Detective Moore Leaves.

Detective T. J. Moore this morning received a telegram from Sheriff C. S. Deffeld, of East Prairie, Mo., announcing the arrest of Jim Frizzell and a woman and child. Detective Moore will leave tonight to bring them back.

Frizzell is the man alleged to have run away with T. C. Beard's wife. Beard is a farmer residing near Elva, Ky., a few miles south of Paducah on the N. C. & St. L. road, and Beard traced Frizzell and his wife to Paducah but lost them here. The woman took her six-year-old child with her and the father says he does not care for the woman, but wants his child. He procured funds and sent Detective Moore to Cairo to arrest them, but the officer found them upon reaching that city. He kept sending out cards and announcement of the facts and was rewarded this morning with news of Frizzell's arrest.

Detective Moore will leave tonight for East Prairie and will have the man and woman back in Paducah tomorrow if they will come without a requisition.

GORED BY COW.

Accident in Mechanicsburg That Came Near Ending Fatally.

The two year old son of Mr. John Gaither, of Clements street, Mechanicsburg, had a narrow escape from being killed by a cow yesterday afternoon. The little fellow was standing in the yard when the cow made for him. His father was sitting on the porch, being crippled and not having walked since April, and jumping up ran out to save him, but was too late. The cow knocked him down and with her horn tore the clothing from his back, but inflicted no injury.

Had the boy fallen in adifferent position, however, even an inch or two, it would have meant fatal injury.

Lynchers Driven Away

One Prisoner Shot by Officer

July 5.—A mob of about 50 men gathered at the jail here last night. They were driven away by the mob and it was thought lynched. He was found this morning hiding in the residence part of the jail and it is reported that the mob let him off on his promise to tell all he knows of the alleged assault.

Sacra, Fletcher and Guy Lyon were taken to Bowling Green at midnight. It is reported now that the case will be continued. It was to have been resumed today but the men are still at Bowling Green with the exception of Jim Lyon.

The second game told on the strength of the pitchers, both pitchers showing up weak, as can readily be seen in the strike-out and hit columns. Bomar seemed to have a little the worst of the argument, being batted out for a home run, a triple, a double or two, and a few singles.

In the eighth McClain hit for four sacks. Gilligan popped out to Henderson. Bohannon tripped to center field and scored on Taylor's flyout to Brady. Perry retired the side with a grounder from McClain to Meyers.

The second game told on the strength of the pitchers, both pitchers showing up weak, as can readily be seen in the strike-out and hit columns. Bomar seemed to have a little the worst of the argument, being batted out for a home run, a triple, a double or two, and a few singles.

In the eighth McClain hit for four sacks. Gilligan popped out to Henderson. Bohannon tripped to center field and scored on Taylor's flyout to Brady. Perry retired the side with a grounder from McAndrews to Meyers.

KILLED BY MARSHAL

EX-CONVICT SHOT AT CENTRAL CITY WHILE RESISTING ARREST.

Made a Gun Play and Was Promptly Shot Through the Heart.

News has reached the city of the killing of Will Kimbley by Town Marshal J. D. Langley, of Central City. Kimbley was a negro and made an assault on his father and mother on Sunday. He was near the depot in Central City when the marshal approached and told him to surrender.

The negro dropped an ax he was holding and threw his hand to his back pocket. The marshal pulled his pistol and fired one shot. The bullet took effect in the negro's heart and he died instantly. It is not thought that the marshal will be placed under arrest.

Kimbley had a bad record. He was about twenty-five years of age, but had served in the penitentiary for murder.

NO DATE

Set for the Sale of the Independent Telephone Company's Plant.

Attorney E. W. Bagby, who has been appointed by Judge Evans a special commissioner to sell the plant of the People's Independent Telephone company here, stated today that the published statements that the plant would be sold August 12 was a mistake. The sale of the plant is left entirely to the commissioner and Mr. Bagby states he has not decided when he will sell it.

The sale is a mere formality necessary before the plant can be legally turned over to the new company, Paducah Home Telephone Co., organized to take it over.

Hopelessly Drunk.

Louisville, Ky., July 5.—When William Conrad, the Louisville barber who disappeared June 16, was found in Cincinnati by a policeman hopelessly drunk in the street, he had \$1,342.68 on him. Conrad had sold his barber shop and wandered away with all he possessed.

POPULAR MINISTER

REV. H. K. BERRY DIES AT SULPHUR SPRINGS.

Was Formerly Pastor of the Tenth Street Christian Church Here.

News of the death of Rev. H. K. Berry, a former resident of the city, reached the city this morning in a telegram from Sulphur Springs, Ky., to Mr. Ed Wheeler, a brother-in-law of the deceased.

Rev. Berry died Monday of stomach trouble, and on account of being isolated, news was slow reaching the city. Rev. Berry was 35 years of age and was born in Corydon, Ky. He studied in early life for the pulpit and came to Paducah two years ago, occupying the pulpit of the Tenth Street Christian church.

In December, a year ago, he was married to Miss Alice McCarty, a well known and popular young lady of the South Side, and following the marriage, Rev. Berry took his bride to Augusta, Ky. A few months ago he was taken ill of stomach trouble and went to Sulphur Springs, near his birthplace, but did not seem to improve. His condition became so serious that his relatives were called to his bedside several days ago.

The deceased leaves a wife, father, mother, five brothers and two sisters. The remains have been taken to Corydon, Ky., for interment. The funeral will be conducted today and on account of the lateness of the announcement of Rev. Berry's death, a number of relatives in Paducah were unable to attend.

KENTUCKY NEWSLETS

Warehouse Destroyed.

Frankfort, Ky., July 5.—Fire destroyed the large broomstraw warehouse owned by the Masoa Foard company. The building was located behind the lumber yards of the chair company, adjacent and east of the Kentucky penitentiary, entailing a loss of \$1,000 or \$5,000, covered by insurance.

Order Approved.

Louisville, Ky., July 5.—Judge Evans in the United States court approved the order of composition of Referee Joseph I. Landes in the case of Alfred G. Hawkins, a bankrupt merchant of Hopkinsville. Hawkins owed \$7,642.98, and will pay 50 cents on the dollar. His creditors live in Hopkinsville and Seabee, Ky., and eleven, representing the majority and the largest indebtedness, have agreed to the settlement.

A \$100,000 Gift.

Louisville, Ky., July 5.—It is the intention of the executive committee on Ministerial Education and Relief of the Southern Presbyterian church to make the \$100,000 gift of the Atlanta man announced yesterday the nucleus of an endowment fund of a quarter of a million for ministerial relief. Rev. H. H. Sweets, secretary of the committee, said today that the committee has had for a long time \$25,000 intended for this purpose, and that since the donation of \$100,000 was received several large contributions have been sent in. He is hopeful that the \$100,000 required by the new gift will be raised before long. The name of the donor is withheld for the present.

Following Faithless Husband.

Louisville, Ky., July 5.—Mrs. Rebecca Rossmer came all the way from Kief, Russia, to the office of the clerk of the city court in the city hall at Louisville to swear out a

warrant for her faithless husband, Mendel Rossmer. According to Mrs. Rossmer, she is the daughter of Joseph Romella, a wealthy resident of Kief. Rossmer, who was a poor boy, won her, and eight months ago they were married in Kief. Prospects not being bright in Russia, Father Romella gave his son-in-law a good sum of money and sent him to America to establish a home. His wife was to follow as soon as he had located. Instead, says Mrs. Rossmer, he came to Louisville, fell in love with somebody else and wrote her that she need not follow, as he intended to get a divorce and she could marry some one else in Russia. Father Romella gave his daughter money with which to come in pursuit, and she proposes to hold Rossmer to strict account.

KILLED BY MARSHAL

EX-CONVICT SHOT AT CENTRAL CITY WHILE RESISTING ARREST.

Made a Gun Play and Was Promptly Shot Through the Heart.

News has reached the city of the killing of Will Kimbley by Town Marshal J. D. Langley, of Central City. Kimbley was a negro and made an assault on his father and mother on Sunday. He was near the depot in Central City when the marshal approached and told him to surrender.

The negro dropped an ax he was holding and threw his hands to his back pocket. The marshal pulled his pistol and fired one shot. The bullet took effect in the negro's heart and he died instantly. It is not thought that the marshal will be placed under arrest.

Kimbley had a bad record. He was about twenty-five years of age, but had served in the penitentiary for murder.

NO DATE

Set for the Sale of the Independent Telephone Company's Plant.

Attorney E. W. Bagby, who has been appointed by Judge Evans a special commissioner to sell the plant of the People's Independent Telephone company here, stated today that the published statements that the plant would be sold August 12 was a mistake. The sale of the plant is left entirely to the commissioner and Mr. Bagby states he has not decided when he will sell it.

The sale is a mere formality necessary before the plant can be legally turned over to the new company, Paducah Home Telephone Co., organized to take it over.

Hopelessly Drunk.

Louisville, Ky., July 5.—When William Conrad, the Louisville barber who disappeared June 16, was found in Cincinnati by a policeman hopelessly drunk in the street, he had \$1,342.68 on him. Conrad had sold his barber shop and wandered away with all he possessed.

POPULAR MINISTER

REV. H. K. BERRY DIES AT SULPHUR SPRINGS.

Was Formerly Pastor of the Tenth Street Christian Church Here.

News of the death of Rev. H. K. Berry, a former resident of the city, reached the city this morning in a telegram from Sulphur Springs, Ky., to Mr. Ed Wheeler, a brother-in-law of the deceased.

Rev. Berry died Monday of stomach trouble, and on account of being isolated, news was slow reaching the city. Rev. Berry was 35 years of age and was born in Corydon, Ky. He studied in early life for the pulpit and came to Paducah two years ago, occupying the pulpit of the Tenth Street Christian church.

In December, a year ago, he was married to Miss Alice McCarty, a well known and popular young lady of the South Side, and following the marriage, Rev. Berry took his bride to Augusta, Ky. A few months ago he was taken ill of stomach trouble and went to Sulphur Springs, near his birthplace, but did not seem to improve. His condition became so serious that his relatives were called to his bedside several days ago.

The deceased leaves a wife, father, mother, five brothers and two sisters. The remains have been taken to Corydon, Ky., for interment. The funeral will be conducted today and on account of the lateness of the announcement of Rev. Berry's death, a number of relatives in Paducah were unable to attend.

Warehouse Destroyed.

Frankfort, Ky., July 5.—Fire destroyed the large-broomstraw warehouse owned by the Mason Board company. The building was located behind the lumber yards of the chair company, adjacent and east of the Kentucky penitentiary, entailing a loss of \$1,000 or \$5,000, covered by insurance.

Order Approved.

Louisville, Ky., July 5.—Judge Evans in the United States court approved the order of composition of Referee Joseph I. Landes in the case of Alfred G. Hawkins, a bankrupt merchant of Hopkinsville. Hawkins owed \$7,642.98, and will pay 50 cents on the dollar. His creditors live in Hopkinsville and Sebree, Ky., and eleven, representing the majority and the largest indebtedness, have agreed to the settlement.

A \$100,000 Gift.

Louisville, Ky., July 5.—It is the intention of the executive committee on Ministerial Education and Relief of the Southern Presbyterian church to make the \$100,000 gift of the Atlanta man announced yesterday the nucleus of an endowment fund of a quarter of a million for ministerial relief. Rev. H. H. Sweets, secretary of the committee, said today that the committee has had for a long time \$25,000 intended for this purpose, and that since the donation of \$100,000 was received several large contributions have been sent in. He is hopeful that the \$100,000 required by the new gift will be raised before long. The name of the donor is withheld for the present.

Following Faithless Husband.

Louisville, Ky., July 5.—Mrs. Rebecca Rosmer came all the way from Kief, Russia, to the office of the clerk of the city court in the city hall at Louisville to swear out a

warrant for her faithless husband, Mendel Rosmer. According to Mrs. Rosmer, she is the daughter of Joseph Romella, a wealthy resident of Kief. Rosmer, who was a poor boy, won her, and eight months ago they were married in Kief. Prospects not being bright in Russia, Father Romella gave his son-in-law a good sum of money and sent him to America to establish a home. His wife was to follow as soon as he had located. Instead, says Mrs. Rosmer, he came to Louisville, fell in love with somebody else and wrote her that she need not follow, as he intended to get a divorce and she could marry some one else in Russia. Father Romella gave his daughter money with which to come in pursuit, and she proposes to hold Rosmer to strict account.

Daily Thought.

The best and richest treasure of a city is that it has many pure, learned, intelligent, honest, well-educated citizens; for these can collect, preserve and properly use whatever is good.—Luther.

Public improvements are always to be commended, but when our law-makers undertake to make the property owners on some streets pay for something for which the city itself paid on other streets, even the most public-spirited become disgusted. Before the mayor, the board of works and the members of the general council say to the property owners on Jefferson, Kentucky and other streets that they must pay the cost of constructing surface or storm water sewerage, they should collect from property owners the proper proportion of the cost of the storm water sewers that were built on Broadway from Fifth to Ninth, and on Second, Third, Fourth and Fifth streets, all the cost of which the city has paid. This would give the city several thousand dollars more to spend for street improvements, and at the same time show the people along the line of these new improvements that no discrimination is intended.

The city solicitor thinks that storm water sewerage is a part of street reconstruction, but is it? If it is, why have some streets storm water sewers while others have not? Often one side of a block has a storm water sewer while the other has not, and under this recent interpretation of the law the cost per front foot for street reconstruction in front of one house may be double what it is for a house only a few doors away, although the property is of equal value, and the benefits of the improvement are equal. If the storm water sewerage is part of the street, why isn't the street car track also a part of the street? We don't profess to know these things, but along with many others would like to understand them.

The street car company should keep its motormen and conductors away from Fourth and Broadway, where they assemble frequently and become public nuisances. If they simply stood there and obstructed the streets or sidewalks it would be bad enough, but they repeatedly "skylark" and the big lanky fellows dash about and bump into people and even knock them down. The other day one of the men chased another forty or fifty feet and frightened a horse attached to a buggy filled with ladies and children, caus-

ing the horse to start to run away. Some of these men play about like a lot of overgrown boys, and the street and sidewalks are no place for it.

The Ohio Republicans allowed only one name to go before their convention for each office and got through—speeches, platform, nominations and all—in one hour and thirty-eight minutes. Ohio Democrats had half a dozen candidates for each office, and took two days and one night to get through. In one instance the bosses controlled the convention, and in the other the delegates controlled. Just the difference between Republicanism and Democracy.—Owensboro Messenger. The great difference, however, the Messenger neglected to state, will be between the vast vote polled by the Republicans and the very small one of the Democrats.

Frankfort now has a real daily newspaper in the State Journal, and it is certain that at least a part of its brightness may be credited to our popular fellow citizen, Col. Edward O. Leigh, who is a thorough newspaper man as well as a universally popular fellow. It is to be hoped that Frankfort will appreciate a live newspaper enough to enable its publishers to keep up the pace they have set.

Governor Beckham's visits to Paducah next month should greatly enliven local society. It will be the most Paducah ever had of the governor,—six or perhaps nine days,—and it is to be hoped and expected that he will receive such courtesy and hospitality that he will not want to return to Frankfort.

Friday is to be "hangman's day" in Kentucky, both Owensboro and Hopkinsville having legal executions set for that day. Kentucky is doing well. All the hangings nowadays are legal, and lynchings are seldom heard of. It is a state of affairs on which to congratulate ourselves.

The report from the canal zone states that there were but twenty-three cases of yellow fever and two deaths from it in June, but this will probably not make the people any more willing to reside at Panama. Might as well have it as to be afraid to death of catching it.

It is reported that Hon. Elihu Root may be offered the secretaryship left vacant by the death of Secretary John Hay. He is one of our brainiest men, and this important position could not be placed in better or safer hands.

Japan is probably more anxious for peace than generally believed, as indicated by the fact that there is very little land fighting, where there could be a great deal. Modern war is by no means pleasant for even the victor.

Japan is reported to be after a new loan of \$150,000,000. Why not wait until the indemnity is decided on, and let Russia do the borrowing?

We seem to have had a pretty "safe and sane" Fourth, comparatively speaking, at least.

WATER NOTICE.

Patrons of the water company should remember that their rents expired June 30. Those who desire to renew them should do so before it is forgotten, as all premises not paid on or before the tenth of July will be shut off.

Looking for Runaway Girls.

Two negro girls about 12 and 13 years of age respectively came to Paducah last night about 8 o'clock over the N. C. & St. L. road, having run away from parents and friends in Jackson, Tenn., and the police are out looking for them today.

POLICE COURT

WOOD JONES AND JIM TAYLOR
HELD OVER.A Large Number of Minor Cases
Disposed of by Judge Sanders
This Morning.

Judge D. L. Sanders held a busy session of police court this morning, not finishing business until noon.

There were three felony cases on the docket. That against James Taylor and Woods Jones for robbery; Walter Lewis and Douglas Minor for malicious cutting and Abe Doyle for obtaining money by false pretenses.

Taylor and Jones are white boys and were charged with robbing R. L. Sanderson, of Boaz Station, of \$1 and some small change near Ninth and Kentucky avenue several nights ago. The testimony was short and resulted in the two being held over. Judge Sanders recognized them, however, for their appearance in circuit court.

Abe Doyle, colored, was charged with stealing a shirt waist from his wife and selling it for 40 cents. The two have been living together and if the evidence proves they are really married, the warrant will have to be dismissed because a man's wife can not appear against him in court. If on the contrary it develops that they are not married, it is possible a warrant for immorality will be taken out. The case was continued.

Walter Lewis and Douglas Pryor, colored, who cut each other several times in a fight several days ago, were held over but recognized for their appearance.

Other cases were: George Bernhard, breach of ordinance, three cases, continued; Harry Cunningham and Jack Coulson, breach of ordinance, continued; Charles Kilgore, colored, breach of the peace, \$10 and costs; Harry Connors, white, vagrancy, held to the circuit court; Annie Copeland, white, drunk and disorderly, \$10 and costs; R. L. Barnett, white, presenting a pistol and carrying a concealed weapon, continued.

SENATOR CAMPBELL HAS 'EM GUESSING

Says He is for Whomever His
District Favors.He Was First Reported for Paynter.
Then for Blackburn—He is
Not in Doubt.

MUCH INTEREST BEING TAKEN.

State Senator J. Wheeler Campbell seems to have them guessing on the United States senatorship question, as he has been quoted as being for both Blackburn and Paynter.

"I have given out or authorized no statement or interview," declared Senator Campbell today, "on this subject, and do not intend to announce whom I shall support because I do not know at present. I shall vote for whichever candidate the people of my district are for."

It was first announced and not denied that Senator Campbell was for Judge Paynter, as Senator Campbell is an organization man, and the state organization is for Judge Paynter.

A few days ago Senator Jo Blackburn came down and after remaining two days and holding numerous conferences, it was stated that Senator Campbell had announced for Blackburn, and pledged the senator his vote. The story was published in the Louisville papers, and not denied for a day or two.

One of Blackburn's friends here said that in return for Senator Campbell's promised support the Blackburn men had agreed to give him no opposition. He said that they made it plain to Senator Campbell that it was a case of be for Blackburn or get beat, and Senator Campbell wilted.

There seems to be some mistake about that part of it, however. A dispatch from Frankfort to yesterday's Courier-Journal says that Senator Campbell, in a message to friends there, repudiates the statements that he was for Blackburn, and declared that "he had not pledged his support to Senator Blackburn nor to any one else in the senatorial race; that he was free to vote for whom he pleased or to carry out the wishes of his constituents as expressed to him in an intelligent manner. He said he had nothing to do with Mr. Ray's withdrawal, but was gratified that he was to have no opposition."

Following this came a special from Paducah saying that Mr. Campbell said he would vote for whomever his constituents want, and yesterday's Frankfort State Journal, the machine official organ, says:

"Senator Campbell, in a conversation with friends in Frankfort, said that this statement was unauthorized and untrue, and that he had not pledged his support in the United States senatorial race to Senator Blackburn. He said he stood in the same attitude as he had always stood; that he was not pledged in this race and if uninstructed would vote as he considered best."

Senator Campbell today himself says that he is for the man his district wants, but does not explain how he proposes to find out which of the candidates is preferred.

There is now talk of other candidates entering the primary race, as neither side seems to be exactly at ease over Senator Campbell's present attitude.

NO CHANGE.

Union Caulkers Working for Only One Local Concern.

There is practically no change in the caulkers' strike here, Supt. Taylor being the only man to sign up the agreement with the caulkers.

The Finney docks and the Marine Ways company have both declared open shop and will employ either union or nonunion men. The ways is pulling out two barges today and Capt. Williams, the superintendent, says he will have men here to work on them if the union caulkers do not come back.

It is predicted by some that the caulkers will lose out unless the carpenters go out with them, and at present the carpenters are still at work and apparently satisfied.

Some of the caulkers formerly employed where open shop has been declared since they refused to return to work, are preparing to leave. It is said that five will go to New Orleans, five to Vicksburg, five to Elizabeth, N. J., and four to Memphis within the week.

GIRL ELOPED

SHE WAS TRACED HERE BY HER MOTHER AND FOUND.

Fly Drummer Who Induced Her to Leave With Him Makes Amends By Marrying Her.

Mrs. F. N. Hardman arrived yesterday afternoon late from Madisonville, Ky., in search of her sixteen-year-old daughter, Fannie Bell Hardman, who disappeared from near Kuttawa, where she was visiting, last Friday.

Mrs. Hardman had been informed that her daughter left with H. C. Newcomb, of Morganfield, Ky., who travels for the Underwood typewriter company, and she was not mistaken, as the police soon located the couple.

They registered at the New Richmond hotel, Friday last, as man and wife, but it was discovered that they were not married, it is said, and they were asked to leave and went to a West Kentucky avenue resort, where they were found by the police.

The young man, it seems, after taking her away from her friends, became infatuated with her, and she with him.

This morning before the case was taken up in police court, they signified a desire to marry and the license was secured.

Newcomb gave his home as Morganfield, Ky., and his age 25, and the girl gave her age as 16, and her home as Madisonville.

Rev. J. S. Cheek, of the First Baptist church, performed the ceremony.

STEAMER WAR WAXES HOT

Rival Line Places Boat in the Peoria-St. Louis Trade.

New complications are arising in the contest for trade between the Ryman line steamer with the other up-river lines. The Ryman line has made arrangements for wharfboat privileges with the Eagle Packet company at Alton, with the stipulation that the Ryman line refrain from putting a boat in the Illinois river, says the Globe-Democrat.

This arrangement proved to be unsatisfactory to the Calhoun packet company, with which the Ryman line is competing in the Calhoun county trade. The Calhoun Packet company has chartered the Belle of Calhoun, one of the steamers to Capt. H. W. Brolaski, with the understanding that the boat shall run between this city and Peoria, making two trips a week, in competition with the Bald Eagle of the Eagle Packet company's fleet. The Calhoun Packet company is arranging to take its wharfboat to Alton to make a more vigorous fight for the trade of that city.

The steamers J. B. Richardson and India Givens, now contesting for the Calhoun county trade, will be due this morning and both are to depart this afternoon on outgoing trips.

COST JUST \$5

FOR FAILING TO STOP A STREET
CAR FOR A PASSENGER.

Conductor Said Car Couldn't Have
Been Stopped Within Half a
Block.

It cost the Paducah City Railway company just \$5 for failing to stop a car for a passenger who signalled the car, and whose signal was observed by the conductor. The case was today tried in the police court.

The warrant was issued several days ago at the instance of Mr. James E. Wilhelm, of the Register Publishing company, who alleged that the motorman and conductor on car No. 103 failed to stop the car when he signalled it at Fourth and Jefferson streets.

The evidence developed the fact that the conductor was the only one who saw Mr. Wilhelm, and when he did he failed to ring down the motorman because he "did not think at the speed the car was going that a stop could be made before the car reached the middle of the block, and it was against the rules of the company to stop in the middle of the block." The conductor stated that he signalled to come to Broadway, but that the passenger failed to follow the car. He said the car was going about fifteen miles an hour.

Attorney John K. Hendricks represented the prosecution and Attorney W. A. Berry the defense. Short speeches were made and at the conclusion the court fined the company \$5 and costs, stating that according to the evidence the car was running in excess of the speed limit, and moreover that the car was signalled at a street corner and an attempt should have been made to stop it.

This is the first time, it is alleged, that the car company has ever been fined for failing to stop for passengers.

FAMILY CARES.

This Information May Be of Value
to Many a Mother in Paducah.

When there is added to the many cares inseparable from the rearing of children that affliction of weakness of the kidneys and auxiliary organs, the mother's lot is far from a happy one. This condition can be quickly changed and absolutely cured by the use of Doan's Kidney Pills. When this is known the mother's burden will be lighter and her home happier.

T. G. Elder, of 1801 Monroe street, carpenter at the Illinois Central railroad, says: "A friend of mine who had procured Doan's Kidney Pills at DuBois, Kolb & Co.'s drug store and used them in his family recommended them so highly that I gave a little girl of ours, 10 years of age, a course of the treatment. We had given her so much medicine for kidney weakness that she absolutely refused to take anything, but finally coaxing succeeded. Before she completed the use of two boxes we stopped giving her the remedy because she no longer required it."

was three times repeated. It was certainly some appeal to "Elsie." In this way I had got my L, S and I. But what appeal could it be? There were only four letters in the word which preceded "Elsie," and it ended in E. Surely the word must be "COME." I tried all other four letters ending in E, but could find none to fit the case. So now I was in possession of C, O and M, and I was in a position to attack the first message once more, dividing it into words and putting dots for each symbol which was still unknown. So treated it worked out in this fashion:

"Now, the first letter can only be A, which is a most useful discovery, since it occurs no fewer than three times in this short sentence, and the H is also apparent in the second word. Now it becomes:

A M H E R E A E S L A N E

Or, filling in the obvious vacancies in the name:

A M H E R E A B E S L A N E Y

I had so many letters now that I could proceed with considerable confidence to the second message, which worked out in this fashion:

A E L R I E S

Here I could only make sense by putting T and G for the missing letters, and supposing that the name was that of some house or inn at which the writer was staying.

Inspector Martin and I had listened with the utmost interest to the full and clear account of how my friend had produced results which had led to so complete a command over our difficulties.

"What did you do then, sir?" asked the inspector.

"I had every reason to suppose that this Abe Slaney was an American, since Abe is an American contraction, and since a letter from America had been the starting point of all the trouble. I had also every cause to think that there was some criminal secret in the matter. The lady's allusions to her past and her refusal to take her husband into her confidence both pointed in that direction. I therefore cabled to my friend, Wilson Hargreave of the New York police bureau, who has more than once made use of my knowledge of London crime. I asked him whether the name of Abe Slaney was known to him. Here is the reply: 'The most dangerous crook in Chicago.' On the very evening upon which I had his answer Hilton Cubitt sent me the last message from Slaney. Working with known letters, it took this form:

EL S I E R E A R E T O M E E T T H Y G O

The addition of a P and a D completed a message which showed me that the

musical was proceeding from persuasion to threats, and my knowledge of the crooks of Chicago prepared me to find that he might very rapidly put his words into action. I at once came to Norfolk with my friend and colleague, Dr. Watson, but, unhappily, only in time to find that the worst had already occurred.

"It is a privilege to be associated with you in the handling of a case," said the inspector warily. "You will excuse me, however, if I speak frankly to you. You are only answerable to yourself, but I have to answer to my superiors. If this Abe Slaney, living at Elridge's, is indeed the murderer, and if he has made his escape while I am seated here I should certainly get into serious trouble."

"You need not be uneasy. He will not try to escape."

"How do you know?"

"To fly would be a confession of guilt."

"Then let us go to arrest him."

"I expect him here every instant."

"But why should he come?"

"Because I have written and asked him."

"But this is incredible, Mr. Holmes! Why should he come because you have asked him? Would not such a request rather rouse his suspicions and cause him to fly?"

"I think I have known how to frame the letter," said Sherlock Holmes. "In fact, if I am not very much mistaken, here is the gentleman himself coming up the drive."

A man was striding up the path which led to the door. He was a tall, handsome, swarthy fellow, clad in a suit of gray flannel, with a Panama hat, a bristling black beard and a great, aggressive hooked nose, and flourishing a cane as he walked. He swaggered up the path as if the place belonged to him, and we heard his loud, confident peal at the bell.

"I think, gentlemen," said Holmes quietly, "that we had best take up our position behind the door. Every precaution is necessary when dealing with such a fellow. You will need your handcuffs, inspector. You can leave the talking to me."

We waited in silence for a minute—one of those minutes which one can never forget. Then the door opened and the man stepped in. In an instant Holmes clapped a pistol to his head, and Martin slipped the handcuffs over his wrists. It was all done so swiftly and deftly that the fellow was helpless before he knew that he was attacked. He glared from one to the other of us with a pair of blazing black eyes. Then he burst into a bitter laugh.

"Well, gentlemen, you have the drop on me this time. I seem to have knocked up against something hard. But I came here in answer to a letter from Mrs. Hilton Cubitt. Don't tell me that she is in this! Don't tell me that she helped to set a trap for me!"

A matter which will come before the board of aldermen through Mayor Yeiser tomorrow night is that of transferring property used for school purposes from the city to the board of education that the latter may sell it.

This is a lot and building in Mechanicsburg and a sale has been effected, Mr. J. K. Bondurant purchasing the property for \$1,000, intending to build a church on the site. The school board learned the deed was made out in the name of the city and before it can transfer the land to Mr. Bondurant will have to have the city transfer the title to the school board. Mayor Yeiser will be asked by Dr. Pitcher, secretary of the board, to bring the matter up Thursday night that the deal be closed immediately.

A BAD MAN

SHOT WIFE, BROTHER-IN-LAW AND POLICEMAN.

Is a Stonemason and Formerly Resided at Fulton, Ky., He Says.

Cincinnati, July 5.—Angered because of the refusal of his wife to let him have some cartridges with which she believed he meant to do some harm, William Gander, a stonemason, aged 47 years, shot his wife at their home, also his brother-in-law, William Applegate, who lived next door, Perry Smith, of Dayton, O., who is visiting the Ganders, and later in a running battle with the police shot Patrolman Frederick Worth.

Mrs. Gander is the most seriously injured, but it is thought that she will recover. In the battle with the police fully 25 shots were fired, the patrolmen using their revolvers and Gander a double-barrel shotgun. The police exhausted all of their ammunition and Gander escaped into the Linwood hills, which are densely wooded, and secreted himself there, defying arrest.

Chief of Police Milliken and a squad of police have the woods surrounded and expect to capture him. Gander has a shotgun, two revolvers and a large store of ammunition and his wife says he will not be taken alive. Gander formerly lived at Fulton, Ky.

STOPS HAY FEVER AND ASTHMA ATTACKS.

Thousands of Sufferers Testify to Ascatco's Astonishing Cures.

New York, July 4.—An innovation has recently been made in America that entirely supercedes the time-worn practice of using "smokes" and other inhalations for the treatment of asthma and hay fever.

The vast army who make annual pilgrimages to the "mountains or seashore," will be delighted to learn of this importation. Its results in asthma are marvelous. Ascatco, this wonderful American drug, is taken in 7 drop doses. It is a positive preventive of hay fever in any climate, if taken now and continued until frost.

By special arrangement a test treatment can be obtained by mail free of any charges, by writing to the Austrian Dispensary, 32 West 25th street, New York City.

LOOKING FOR WIFE.

Kentuckian Reaches Cairo in Quest of Family.

Cairo, Ill., July 5.—John Hayes, of Carlisle Ky., was in the city yesterday looking for his wife, whom after eighteen years of married life deserted him and her two children one day last week and came to Cairo with a man named Burney.

The husband is heartbroken over his wife's unfaithfulness and his story is a pathetic one. He said that he has always worked hard to provide for his family and had recently purchased a home in Carlisle.

He told how his children had put their arms around their mother's neck and begged her not to run off with the other man.

The police have been trying to locate the couple, but as yet have no trace of them. The husband says that he thinks that he can induce his wife to return home for their children's sake.

TOOK AN APPEAL

In One of the M. G. Sale Bankruptcy Decisions.

Several days ago Judge Evans sent down an opinion confirming the action of the Referee in adjudging M. G. Sale, bankrupt, a homestead, valued at \$1,000, and accompanied by an order for the sale of the property.

If the property brought \$1,000 this amount was to be turned over to Sale and if it brought more, the surplus was to go to the creditors. The creditors did not like this decision and have secured attorneys to take an appeal which was done yesterday, the appeal being made to the United States circuit court of appeals at Cincinnati.

It makes a woman knit her brows when her husband tells the children yarns.

The nice increase in our business since the first of the year is very encouraging to us.
